

## How Students Log In to Quaver Music:

- Students will need to log into their ClassLink/DCSS portal:

- Once logged into the ClassLink/DCSS Portal, students will need to click the

Quaver icon.

It may be at the bottom of your dashboard.

- Even though some students had an account last year, we are starting fresh this year with a brand new subscription. **CLICK NO, I NEED A NEW ACCOUNT.**

This will take students directly to their student dashboard. The next time students click the Quaver icon from their dashboard they should already be logged in!
